<p>Committee Reports</p>	<p>Annual Report.  Question regarding the Aus-NZ Standard.  A: John Arthur advised that the adoption of the standard required the support of the two NZ representatives. Unfortunately the grocery council representative did not support the standard.  Olives NZ did fund Lawrence Eyres to attend the meetings in Australia to put NZ opinion forward.  It was stated that this cleared up a lot of misconceptions and that other members need to know this.  Action – Executive Officer to include in the next newsletter and have the report on the website.</p> <p>David Walshaw: Review of Certification. Report tabled.  We have changed ONZ to Olives New Zealand on the olive mark.  Funding promotion: This costs a lot of money. We have instituted that a percentage of the OM money be used for marketing of the OM. Need to be telling people all the time that our oil is certified extra-virgin.</p> <p>David Walshaw: Constitution Review Report  Report tabled and David spoke to it.  Organisation started because of grower interest.  Strategic review stated that we will be here to primarily support growers to produce high quality EVOO with Olive Marks  Draft constitution reflects the position of growers.  Specifically - What is a member? Noting that we are proposing Ordinary Members and Associate Members. Ordinary members can then be broken down to large and smaller members; needs and desires of those to sub-sets are quite different.  Need feedback from members as to where the cut-off is between the different Ordinary Members e.g. 100 trees or 250 trees or more.</p>
<p>General Business</p>	<p>Allan Frazer: The AGM expressed their appreciation to outgoing Executive (Graham Keen, Ross Legh and Steve Clark) and the Executive Officer.  John Valentine: commends Andrew and the Executive in regards to the difficult position that we have been in and where we are being steered to know. Strongly commended. Endorsed by the meeting.</p> <p>Meeting closed at 10:43am</p>
