	OTHER RESOURCES		PRICE	NUMBER	TOTAL
	<p>DEFECTS WHEEL</p> <p>This is a great tool to understand defects and how they may be caused. On the reverse is a guide to producing the best possible EVOO.</p>	Each	\$25		
	<p>THE GOOD OIL</p> <p>Written by Mike Ponder, New Zealand's pioneer olive grower and oil producer, the book cuts through the mystique and traditions of growing olives and gives the reader an easy to follow, step-by-step background to their cultivation, covering all aspects from choosing the right site to pressing the oil. This book is also a valuable record of the first decade of modern olive growing in New Zealand, recording the hope, the excitement, and the disappointments.</p>	Each	\$16		
	<p>OLIVE GROWING</p> <p>Widely regarded as the 'bible' of olive production. This edition was developed for the Australian market by Rural Industries Research and the Australian Olive Association, meaning that the advice applies just as well to New Zealand growers. It has excellent illustrations.</p> <p>SPECIAL PRICE FOR MEMBERS WHO HAVE MADE FOCUS GROVE PLEDGES – PLEASE ASK</p>	Each	\$65		
	<p>OLIVES PESTS AND DISEASES</p> <p>A pocket sizes reference developed by Olives New Zealand illustrating the pests and diseases affecting olive trees in New Zealand.</p>	Each	\$10		
	<p>OLIVE MARK STICKERS</p> <p>Standard bottle size</p> <p>Super-size (35mm) for boxes or cans</p>	<p>Box of 500</p> <p>Box of 100</p>	<p>\$30</p> <p>\$20</p>
